## **ADDITIONAL NOTES OR COMMENTS**

### **I would like my Wiki-Page to look like this:**

Alix "Jack" Christopher Toulme Jr. /a-likes jak kris-tuffer tool-may joon-yer/ born July 15, 1987) is an aspiring U.S. Politician and ET/UFO Disclosure Advocate. He is currently in the process of forming a new and historic political party headquartered in Tampa, Florida: the ANTI-Satan Alliance Party (ASA) of Florida. Alix is formerly a U.S. Congressional Candidate in Tampa, Florida's 14th District in 2018 and again in 2020. He previously ran for School Board Member in District 1 of Hillsborough County, Florida in 2016. He withdrew from all three races early before qualification dates and has never been on a ballot in the State of Florida or in Hillsborough County. He now plans to return to college-level study at an online seminary and to run again for U.S. Congress in 2022 as an ASA Party Candidate. Mr. Toulme furthermore vows to help end the illegal and unconstitutional secrecy regarding UFOs and Extraterrestrial Life and to promote a Christian Renaissance in the future. He is a practicing Catholic and attends mass at Incarnation Catholic Church.

### **Early Life:**

Alix C. Toulme Jr. was born on July 15, 1987 at the Flushing Hospital Medical Center in Queens, New York. His Father Alix Joseph Toulme Sr. is an immigrant from Port Au Prince, Haiti and came to the United States in 1970. His Mother Norma Toulme is also an immigrant and she came to the United States in 1975 from Guayaquil, Ecuador. Alix moved from Queens, New York to Tampa, Florida in 1992 with his parents and his two older siblings. In Tampa, Florida he enjoyed playing such sports as football and basketball outdoors with friends and at the Tampa Bay Youth Football League. Alix played offensive lineman and tight-end for the Tampa Bay Seahawks and wore the number 16. He also enjoyed films, music, reading, and playing video-games such as Halo, Mario Kart, and 007 Goldeneye.

### **Military History:**

Mr. Toulme enlisted in the United States Navy in September of 2006 after graduating from Braulio Alonso High School in 2005. Alix received basic training and indoctrination at Recruit Training Command in Great Lakes, Illinois. After recruit training he was assigned to the Deck Department onboard the USS Carl Vinson CVN70 as an undesignated seaman. Alix was designated as a Boatswains Mate (BMSN SW/AW) in 2008 and passed his advancement exam for BM3 shortly thereafter but was never frocked as a Petty Officer because he allegedly violated several articles of the UCMJ in 2008. Before going to Captains Mast or Non-Judicial Punishment (NJP) two times in 2008 he was an enlisted officer

candidate and received the CO's (then Cpt. Walter E. Carter Jr.) endorsement to attend the U.S. Navy Academy. According to Mr. Toulme he had fallen in love with a female shipmate, Genesis Reyes, in 2007 and had gotten drunk and disorderly one night at the quarterdeck of the ship. He states: "I knew full and well that the U.S. Navy had an anti-fraternization policy for enlisted sailors but I didn't care, there was an empty void in my heart and I believed Genesis was the right person to fill it, after that night on the quarter deck I felt guilt for putting her in that position. And to Cdr. Dave Walker: I should have cleaned that head personally and not relayed the order to BM2, and if I had done that who knows perhaps I would still be in the Navy today still fighting the good fight." He was demoted from E3 about to be frocked to E4 all the way down to E1 and was placed on restriction for a combined total of 120 days.

After being released from restriction he was transferred to the Training Division for 3 months, and then to the Supply Department S9 or the Hazmat Division. He served in the Hazmat Division for the remainder of his naval enlistment and was honorably discharged in September of 2010. Highlights of his military career include: Refueling and Comprehensive-Overhaul (RCOH) from 2007 to 2010, Operation Unified Response in the aftermath of the earthquake in Haiti in 2010, and Gringo-Gaicho / Southern Seas 2010. He stated: "Serving in the United States Navy was the best decision of my early life, I learned about discipline, hard work ethic, and I learned the hard way about love and politics."

## Awards and Commendations:

Former BMSN SW/AW Toulme is the proud recipient of the National Defense Service Medal, the Global War on Terrorism Service Medal, the Humanitarian Service Medal, and the Sea Service Deployment Ribbon. He was also awarded both Enlisted Aviation and Surface Warfare Specialist Insignia Pins in 2008. He was also recognized as Food Service Attendant of the Month in 2007 while on temporary assignment in S2 onboard the USS Carl Vinson CVN70.

## Education:

Alix C. Toulme Jr. was educated at all Hillsborough County Schools: Grady Elementary School, Coleman Middle School, H.B. Plant High School for grade 9, and Braulio Alonso High School for grades 10 to 12. At Braulio Alonso High School he played Junior Varsity Basketball in grade 10. Alix graduated from Braulio Alonso High School on May 26, 2005.

After enlisting in the U.S. Navy from 2006 to 2010 he enrolled at St. John's University in Queens, New York his birthplace. At St. John's University he majored in Political Science and minored in Theology and Religious Studies. In 2010-2011 and again from 2011-2012 he was placed on the St. John's Academic Dean's List for outstanding scholastic performance. In the Spring of 2012, he was inducted to Theta Alpha Kappa or the National Honor Society for Theology and Religious Studies. Alix also attempted to "walk on" the St. John's Division 1 Men's Basketball Team in 2011 but sustained an injury to his left ACL at the Taffner Field House located at the Queens Campus.

Alix graduated from St. John's University on May 13, 2012 with a Bachelor's of Arts Degree in Political Science and a Minor in Theology and Religious Studies with a 3.49 Grade Point Average (GPA). He wrote his B.A. Dissertation on the Religious Lobby in the United States and received a B+ for his efforts.

After graduating from St. John's University in May of 2012, he studied at Columbia University, School of International and Public Affairs in New York City for 3 months from May to August of 2012. At Columbia University | SIPA he studied U.S. Foreign Policy and International Relations; it was as a graduate student at Columbia University that Alix first began receiving telepathic communications from extraterrestrial beings that he claims are stationed in close proximity to the Earth. Alix failed to receive the Post-Graduate Degree Certificate (PGC) in International Relations that year because he failed to pass a course on U.S. Special Operations, he states: "I was in such a spiritual and religious state of mind at that time and was also interacting and communicating with several non-human intelligences; and I couldn't condone some of the activities that U.S. Special Operations have conducted throughout American Military History."

In September of 2012, Alix began study at King's College London (KCL) in the United Kingdom. He studied Ethical Leadership at the Department of Theology and Religious Studies at King's College. Alix wrote his M.A. thesis on Life After Death and Near-Death Experiences which he argued was most relevant to Ethical Leadership in the 21st Century. In the Spring of 2013 while a student at King's College London Alix also studied at the College of Psychic Studies for 3 months also in London. He also studied at the London School of Meditation for a short time in 2013.

On January 1, 2015 he graduated from King's College London with a Master's of Arts Degree in Ethical Leadership. In September of 2020 Mr. Toulme officially withdrew from his M.A. in Ethical Leadership from King's College London and stated this: "At King's College I was unable to concentrate fully on my studies because I was communicating to many spiritual and non-human intelligences via telepathy and psychic mediumship. At that time in 2013 I made the decision to seek professional help with four of my essays, therefore I cannot in good faith and conscience continue to be recognized as a graduate of King's College London. My M.A. dissertation however, On Life After Death and Near-Death Experiences was entirely my work and intellectual property for which I am very well proud of. I apologize to the Dean and to the institution as a whole and especially to Professor Emeritus Clemens Sedmak who I admire and respect to this day."

## **Academic Internships:**

Mr. Toulme worked as an intern at the New York City Council from January to May of 2012 while an undergraduate student at St. John's University. Alix worked directly for the Honorable Eric Ulrich, a New York City Republican and Council Member in District 32, Ozone Park, New York. Alix worked on Constituent Services and Community Relations.

In 2017, as a graduate student at St. John's University in New York he completed a 3-month internship at the United Nations Department of Peacekeeping Operations in the Disarmament, Demobilization, and Reintegration (DDR) Section from February to May of that year. Alix stated: "At the time I was pursuing a career in International Relations and the internship at the UN was an excellent opportunity for me to work with professionals in the field from all over the World."

Also in 2017, Alix worked at Religions for Peace USA at the Church Building of the United Nations from June to July of 2017. He worked directly under the Reverend Bud Heckman and left the internship early due to an extraordinary religious experience that he had at the Chapel of the UN Church Building one summer day: "I was laying down at the pews at the chapel of the UN Church Building and I began to imagine and visualize these sort of avian or bird-like guardian beings on the floor, after that I got up and decided to get back on a spiritual track and religious pathway."

## **Political Campaigns:**

In 2016 Mr. Toulme ran for Local School Board Member in District 1 of Hillsborough County, Florida. He was critical of the firing of School Superintendent Mary Ellen Elia because it placed an unnecessary financial strain on the School District. Alix ran for a county-wide school uniforms policy and increased school security at elementary schools. At that time, he argued that the adoption of a county-wide school uniforms policy would garner the district an extra 1.4 million dollars in state incentive money according to Florida House Bill (HB) 7011 and Senate Bill (SB) 672. He furthermore, argued that the extra 1.4 million dollars could be used to pay for the increase in school security. Mr. Toulme withdrew from the School Board Race early before qualifying dates citing personal and unforeseen circumstances.

In 2018 Mr. Toulme filed to run for U.S. Congress in Tampa, Florida's 14<sup>th</sup> District with no-party affiliation (NPA) to promote C4FC or Christians for First Contact USA: a non-profit dedicated to educating Christians primarily about the existence of extraterrestrial life and to help initiate first contact in the 21st Century. In 2018 he was a "single issue candidate" and wanted to end the illegal and unconstitutional secrecy regarding UFOs and Extraterrestrial Life. After several months in contention he withdrew from the 2018 Congressional Race in Tampa, Florida.

In 2020 Mr. Toulme again filed to run for U.S. Congress in Tampa, Florida's 14<sup>th</sup> District this time as an independent candidate. In February of 2020 he changed his campaign committee name to St. Christopher for Congress 2020 but FEC records of this amendment have been removed. Again, in March of 2020 he changed his campaign committee name this time to Alix "Christ Jesus" Toulme Jr. for Congress, this also has been removed from the FEC database: "Alix withdrew from the race after failing to qualify for the election in the summer of 2020. He states: "I was under a lot of pressure from ET beings and unholy spirits who were misleading me to believe that I was somehow Christ Jesus Reincarnate. I also understand that people will have a difficult time trusting me in the future which is why I vow not to run for public office in the United States until after my public image and reputation is restored or repaired, especially with Jews and Christians." He now plans to run again for U.S. Congress in 2022 as an ASA Party Candidate.

## Religious Views & Experiences:

Mr. Toulme was baptized into the Catholic faith in 1994 at the age of 7 at Christ the King Catholic Church in Tampa, Florida and received his first communion one year later in 1995. Alix attended a Catholic University from 2010 to 2012 but was not confirmed a Catholic until September 1, 2019 at Incarnation Catholic Church also in Tampa, Florida. At St. John's University he studied all three Abrahamic faiths: Judaism, Christianity, and Islam. In 2012 as a graduate student at Columbia University | SIPA he began hearing voices in his mind and his studies were affected as a result. He was subsequently diagnosed with A Type Schizophrenia but maintains to this day that the voices he hears in his mind are spiritual and extraterrestrial. Three years after graduating from King's College London, in 2018 Alix began reading and researching the works of Allan Kardec more specifically the Spirits Book. By reading about Spiritism and psychics like Chico Xavier he began to realize that he too was gifted by God with psychic mediumship abilities. In August of 2017 Alix founded the non-profit organization C4FC or Christians for First Contact USA to educate Christians primarily about the existence of extraterrestrial life in the Cosmos and to help initiate First Contact in the 21st Century.

In June of 2018 his psychic abilities reached a noticeable spike and he began being able to communicate with spirits at ease and with consistent regularity. Every time he listens to digital audio on his phone, tablet, or computer he is instantly able to create a spiritual link with the spirit of the person being broadcast over-the-air. In this manner he has spoken to the spirits of many famous, powerful, and influential people both living and deceased, "but not to their conscious minds, but rather to their spirits or to their spiritual essence." [The UFO Woman, January 25, 2020] According to Mr. Toulme, it was at this time that he was approached telepathically by several key Illuminati figures in music and entertainment who wanted him to enter into a Faustian Bargain with Satan. In July of 2018 Alix claims he began communicating to the spirit of a famous musician: Robyn Rihanna Fenty and furthermore claims that he and her spirit have been involved in a romantic/spiritual relationship since July 2018. He doesn't believe Rihanna has any "conscious knowledge" of him.

One year later in July 2019 Alix began wearing the gray robes of a Monk although not officially ordained and took personal vows of devotion, humility, non-violence, and celibacy. He maintained these vows for approximately 3 months until he began to question his Catholic faith more in-depth and thoroughly and while under pressure from unholy and demonic entities; despite this demonic pressure he kept wearing religious garb. In December of 2020 he delivered a speech on YouTube and Facebook where he refers to himself as the self-proclaimed St. Christopher and argued that anyone who stands against and opposes Satan-the-Dark Lord in the Last Days are already saints of God. Additionally, he talked about his 2020 congressional campaign, UFOs and extraterrestrial life, his psychic abilities, Satan and the Satanic Elite or the Illuminati, and his theory of Mass Soul Removal. According to his theory of Mass Soul Removal a significant percentage of the souls of planet earth have been forcibly removed from their bodies by Satan-the-Dark Lord and placed in a sort of detention in the spiritual underworld where they will dwell indefinitely until they are restored and resurrected by Christ Jesus after the battle of Armageddon. He stated: "All of the sinful and wicked have been removed from the earth and taken to the spiritual underworld and the only souls who remain here on planet earth are the innocent and Christians who await either rapture or the trials and tribulations foretold about in the New Testament Book of Revelations."

Also, in late 2020, Mr. Toulme changed his campaign committee name to St. Christopher for Congress. At this time, he began to communicate to the Spirit of Pope Francis I who began to relay to him unholy and demonic sensibilities via psychic mediumship. Alix states: "I believe Pope Francis the mind and body are good and righteous but his soul and spirit are unholy and God-damned for reasons that I do not care to speculate about. I know beyond a reasonable doubt that his soul was removed from the earth by Satan-the-Dark Lord and that he is an unrepentant soul as of 2020. Perhaps the Catholic Church should consider allowing another qualified candidate to serve as Pontiff in the future." In February of 2020, after communicating to the spirit of notable Ufologist Richard Dolan via psychic mediumship Alix was inspired to engage in a psychological operation to force the U.S. Government to disclose to the public the truth about extraterrestrial life. Alix's plan was to make people believe he was Christ Jesus Reincarnate to garner public attention and to generate a news media blitz during his 2020 congressional campaign all in his effort to promote UFO disclosure. He states: "That night after I spoke to the spirit of Richard Dolan I was convinced that my plan would force disclosure, so I got on Facebook and announced to the public that I was Christ Jesus and immediately after that a fire broke out in the air duct of my condo; it was a sign from God that this was a bad idea but I didn't want to stop because a part of me believed it was true. I honestly believed that my pronouncement would change the world and get us UFO disclosure, but it didn't happen."

In March of 2020, Mr. Toulme changed his campaign committee name back to St. Christopher for Congress and apologized on social media for the confusion; he has since sought absolution for his sacrilege. Then in a spout of mania he shockingly and inadvertently changed his 2020 campaign website to reflect that he was running for Catholic Pope and was convening a special conclave election between himself and Pope Francis I on all souls day 2020. Among his many plans for the Catholic Church was to establish and implement a global dress code for Catholics: He states: "I thought it would be a good idea for sinners to wear grey, black, and red according to the severity of their sins, and since I believed Pope Francis was an unholy and God-damned spirit I thought I could win people over; and that was my time as Anti-Pope." Mr. Toulme was eventually disqualified from the 2020 congressional race in Tampa, Florida's 14<sup>th</sup> District after failing to pay election fees, he states: "I couldn't gain any momentum in 2020 and I couldn't manage to persuade anyone to donate money to my campaign, after all there are and were only three groups of people in the United States who could have possibly contributed: the unaware or/either innocent, whose numbers are and were dwindling, and Christians who either didn't trust me, understand me, or had never heard of me; and then there was everyone else, who are and were all under Satanic influence; so no, there was no one able or willing to fund my campaign in 2020."

No longer in contention for a congressional seat, and under direct and unrelenting pressure from Satan and demonic entities, in July of 2020, Alix converted to Luciferianism and began to believe it was somehow his destiny to fulfill biblical prophecy as the Antichrist. He said: "I finally gave in to all of the pressure and began to worship Lucifer, and now that I think about it more, I don't think I was in a healthy state of mind, it didn't last too long, maybe a month or two." Then in September of 2020 he launched a new website which he named: A/C Toulme Jr. for Congress 2022 Exploratory and Informative Group. Additionally, he formed the Antichrist World LLC and created a website with the same name. He wrote about how Christianity was holding the World back from Global Peace and Religious Unity and introduced a new age religion he coined Omnigion. According to Mr. Toulme Omnigion would be a new age religion of planet earth that finds truth in and respects all of the theistic beliefs of mankind and of all ETI Beings throughout the Omniverse. At that time in early September he believed that after disclosure and first contact with benevolent ET beings the people of earth would evolve beyond their need and addiction to Judeo-Christianity and formulate a one world democratic government and a new age religion for all people not just a small minority. He states: "I honestly thought that disclosure and first contact could and would happen in the near future and that Omnigion could and would work and be viable for the entire World and also the Omniverse; and I was willing to be the Antichrist to accomplish this vision. But what I didn't realize or rather what I failed to understand at that time was that disclosure and official first contact will never happen until after Jesus and Lucifer finish to play out this religious melodrama at the battle of Megiddo. I am happy to report that Lucifer and I didn't really get along, and that there was no way that he would allow me to serve as his Antichrist; besides he didn't really need me or require my voluntary services since he already had Barack. After the Battle of Megiddo, the earth will finally be able to move forward as a species once one of them is defeated; and then the earth will finally have only one Lord and Governor and not two. I say, may the best man win! I got my money on Jesus. And I hope my wager pays off." Mr. Toulme has since returned to his Catholic faith after more than 14 months as an apostate of God.

## Organizations:

1. Christianati LLC, founded on June 6<sup>th</sup> 2019
  - a. According to Alix C. Toulme Jr. the Christianati is a new and unsanctioned Catholic Religious Order that specializes in spiritual warfare. Alix states: "The Christianati was created to fight back against Satan and the Illuminati and our primary mission or objective is to train, teach, and empower Catholics and all Christians to defend themselves spiritually against demonic attacks as they increase in both scale and intensity now during the Last Days. Every attack by Satan or a demon can be countered with faith, the word of God, and a lot of courage and willpower. Find me if you're having trouble winning your battles and I will gladly teach you the skills, tactics, and methods to overcome your spiritual enemies."
2. Global ANTI-Satan Alliance, founded in September 2019
  - a. According to Alix C. Toulme Jr. the Global ANTI-Satan Alliance was founded to warn the people of earth about the reality of Satan-the-Dark Lord and to form a powerful alliance of citizens and believers to stand in direct spiritual and political opposition to Satan and the Satanic Elite. Alix states: "I will not stand idly by as Satan, his demons, and his loyalists on earth continue to lie, cheat, and manipulate more and more people to renounce God and Christ Jesus. The time has come for believers to unite and to formulate an

alliance that future generations of people can look back on with respect and admiration.” He plans to make the ANTI-Satan Alliance Party a new minor-political party in Florida by 2021.

3. C4FC or Christians for First Contact Global Inc., founded in April 2020
  - a. C4FC or Christians for First Contact Global is non-profit organization dedicated to educating Christians primarily about the reality of extraterrestrial life in the Cosmos and to help initiate First Contact in the 21<sup>st</sup> Century after the Second Coming of Christ. According to Alix C. Toulme Jr. the truth about ET life is being kept secret from the people of earth in order to maintain the status quo and to keep them locked in a perpetual state of ignorance. He states: “Who can deny that Satan is the Prince of this World? If not for Satan-the-Dark Lord the people of earth would have known the truth about extraterrestrial life and our spiritual reality long ago. I believe if and when disclosure finally happens it will result in a new era of global peace and religious unity; this is why I have been fighting for it so arduously since 2017.”

## Controversies:

1. On January 2<sup>nd</sup> 2019, while a Candidate for U.S. Congress in Tampa, Florida’s 14<sup>th</sup> District, Alix suffered a psychotic break and made a shocking and sensational claim that he was the Antichrist in a public address on Twitter and Facebook. Back at that time, he began to suspect that he was the biblical Antichrist due to his initials A.C., his mediumistic and telepathic abilities, his new age spiritual beliefs, his desire to create a global democracy or a new world order, and the fact that his alleged telepathic lover, the famous musician Robyn Rihanna Fenty, wrote the album entitled ANTI in 2016, and because of many miraculous synchronicities that he personally witnessed and experienced. On May 11<sup>th</sup> 2019, after being hospitalized at the James A. Haley VA Hospital in Tampa, Florida for several weeks he posted a public service announcement to Twitter and Facebook explaining that Grey extraterrestrial beings were monitoring and communicating to him via mental telepathy since the summer of 2012 and that they believed that he was either the Last Scion or Jesus Christ Reincarnate.
2. See [https://youtu.be/v638\\_G1H8gE](https://youtu.be/v638_G1H8gE) to review my May 11<sup>th</sup> 2019 Public Service Announcement
3. In the Spring of 2020, while a Candidate for U.S. Congress in Tampa, Florida’s 14<sup>th</sup> District, Alix changed his Campaign Committee name to: Alix “Christ Jesus” Toulme Jr. for Congress and ran an AD on Google with the same name [the AD had 1,882 impressions and 17 clicks; See A & B]. He claimed that he was Christ Jesus Reincarnate and that the powers-at-be were hiding and concealing the truth about UFOs and extraterrestrial life and the spiritual reality to maintain power and control of the masses. Alix now denies that he is Christ Jesus Reincarnate, and only believed this because the extraterrestrial beings who were observing, monitoring, and communicating to him via mental telepathy have stated such things as: “You’re their God.” and “You are the unholy Lamb.” He states: “I was under a lot of pressure from ET beings and unholy spirits who were misleading me to believe that I was somehow Christ Jesus Reincarnate. I also understand that people will have a difficult time trusting me in the future which is why I vow not to run for public office in the United States until my public image and reputation is restored or repaired, especially with Jews and Christians.”
